

EURADOS Young Scientist Conference Support (YSCS)

– Rules and requirements –

The European Radiation Dosimetry Group e.V. (EURADOS, www.eurados.org) invites Young Scientists who are presenting work at relevant conferences to apply for the EURADOS *Young Scientist Conference Support (YSCS)*. The YSCS will consist of a sum of up to 500 € to support to cover either the conference fee and/or the travel and/or the subsistence costs, up to the applicant's choice and following the EURADOS reimbursement rules. EURADOS annually selects the relevant conferences and the number of YSCS's available for each conference. This list is published on the EURADOS webpage and in the newsletter.

Only one author per paper will be supported. Proofs of expenses for the attendance by the Young Scientist will be reimbursed. No payment in advance will be provided.

Requirements

- The candidate should **not have worked for more than 8 years after graduation or PhD completion at the conference time.**
- The research work to be presented by the candidate with the Young Scientist Conference Support (YSCS) should be performed either within the workplan of a EURADOS Working Group or directly linked to one of EURADOS Working Groups activities, or on a relevant topic of the EURADOS SRA. The candidate should show his/her excellence in research on dosimetry of ionizing radiation.

Application

The candidates must send their *application form* to the EURADOS Office by e-mail (office@eurados.org) before the deadline. The application must be written in English and it must include:

- Application form
- Abstract submitted to the conference
- Proof of acceptance with indication if invited, oral or poster
- A short description (max 1 page) of the research context and the link to the activities of EURADOS WGs and/or to the EURADOS SRA
- A short CV of the candidate (max 2 pages)
- A letter of support of the EURADOS WG Chair(s), *optional but strongly recommended*.

Acceptance

- A Selection Committee (SC) consisting of members of the EURADOS Council and WG Chairpersons will assess the proposals and will make its recommendation as to a ranking of recipients(s) of the YSCS. The WG chairs must declare if there is a conflict of interest with their working groups and they must refrain from voting in this case. The SC may ask for supplementary information if needed. The EURADOS Council takes the final decision about the shortlisting.
- The selected candidates will be notified by e-mail, at least 1 month before the conference.
- The EURADOS Office will then email the winners to provide administrative instructions.
- The winner of the YSCS is required to mention EURADOS support at the conference either during the oral presentation or reporting it on the posters.
