

## 8<sup>th</sup> EURADOS WEBINAR

# Inter-comparisons of personal dosimeters: Lessons Learnt

28<sup>th</sup>, October 2021

# EURADOS WEBINAR: Inter-comparisons of personal dosimeters: Lessons Learnt

---

## Introduction

Tom Grimbergen,  
MIRION

Intercomparisons  
photon/beta: lessons  
learnt from  
general results

Hannes Stadtmann,  
Seibersdorf Laboratories

Intercomparisons  
photon/beta: lessons  
learnt from  
individual results

Ana M. Romero,  
CIEMAT

Lessons learned from  
neutron  
intercomparisons

Elena Fantuzzi,  
ENEA

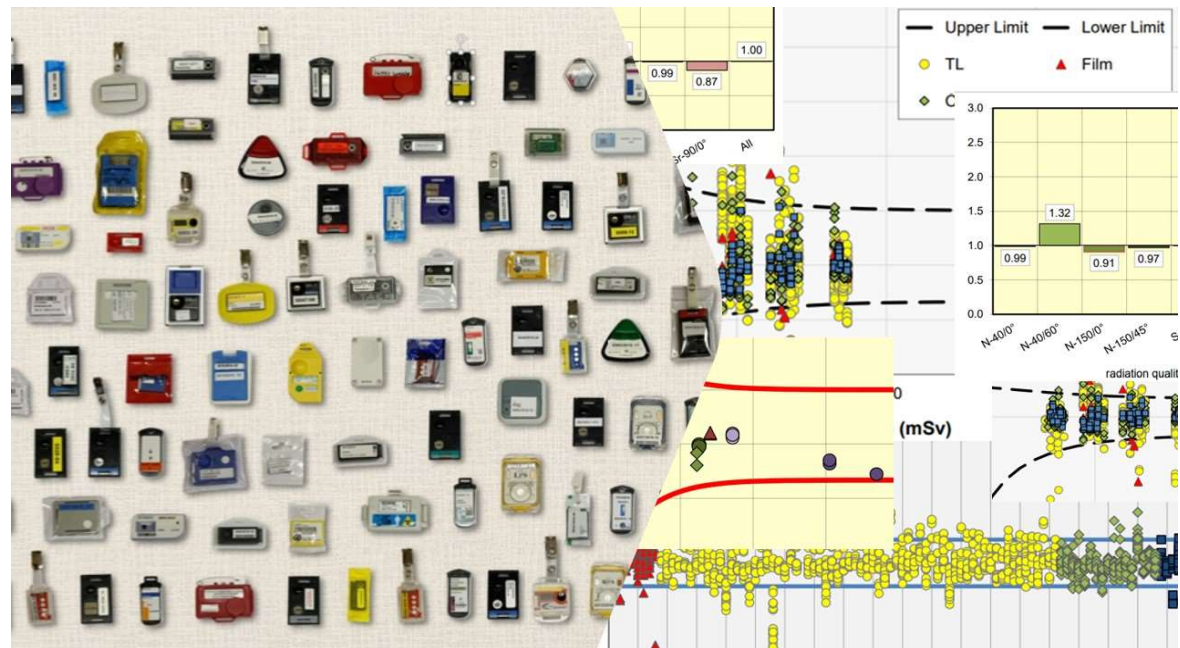

# EURADOS Webinars 'rules'

## Questions:

- Do not hesitate to write them online on the Q/A part on the right of your screen, whenever you want during the webinar
- Specific session at the end of the webinar to answer to the questions
- If needed, write to [marie-anne.chevallier@irsn.fr](mailto:marie-anne.chevallier@irsn.fr)

## Webinar recording:

- will be available on the EURADOS webpage

# Inter-comparisons of personal dosimeters: Lessons Learnt

---
